Welcome to a new Opportunity!

Earn extra income while offering products that help your customers live healthier, get better organized, save money and safeguard the environment. Just follow these 3 easy steps.

1 Start Today

Starting a Tupperware business is a smart decision. You can have fun while earning money, building friendships, and even enjoy more time with your family. Whatever your heart's desire, your Tupperware business can help you achieve it.

First, select a kit that fits you. Both the **Executive Business Kit** and the **Business Kit** include Tupperware® products, supplies and training material to get you started and hold your first 3-5 parties.

New Consultant "Say Yes" Gift
For New Consultants who start their businesses during March 27–April 2, 2010

Be "smarter" by starting your business during March 27–April 2. You can add the **FridgeSmart® Small, Medium and Large** containers to your demonstration kit FREE! The three are a \$57 U.S./\$77.75 CAD total retail value.

Together with the FridgeSmart® Medium Long included in your kit, you'll be ready to show customers how they can eat healthier and reduce waste. Everyone knows that fresh is the smarter way to eat your fruits and vegetables. FridgeSmart® containers help keep them fresher longer.

2 Hold Parties

You're in business for yourself—but not by yourself! Your Manager and Director are there to help you every step of the way.

STAR Program for New Consultants
Earn free business tools and extra income during your first 13 weeks in business!

STAR personal sales awards
Qualify to receive a different business tool FREE each week by holding parties. You'll increase your party demonstration options with new products that will help you sell even more!

New Consultant Activation Challenge
For New Consultants who start their businesses during March 27–April 2, 2010

Get off to an even "smarter" start with your business. Begin your business during March 27–April 2 and achieve \$450 U.S./\$550 CAD or more in personal sales during your first 30 days. You'll qualify to receive the **FridgeSmart® Large Round**, a \$22.50 U.S./\$32.50 CAD value, FREE! Keep larger produce, such as lettuce, cauliflower, pineapple or melons, fresh in the Large Round.

3 Build Your Business And Your Team

Confidence is contagious, pass it on! Share the Tupperware Opportunity today! The key to your ongoing success is to share the Tupperware Opportunity with others. You'll help others achieve their hearts desires by building their own Tupperware businesses. At the same time you'll increase your income and earn free products, special awards, trips, recognition and more.

STAR Program PQR awards
Increase your income by personally recruiting a New Consultant who becomes qualified with \$450 U.S./\$550 CAD in personal sales in their first 30 days.

STAR Program 2-night getaway
During your first 13 weeks in business, you can qualify for a 2-night hotel getaway paid for by Tupperware.
