

Special Thanks from Tupperware & Me!

Dear

Thank you for choosing to host your Tupperware party with me! A successful party is as easy as 1-2-3!

1. Invite a guest list full of people and either mail or email it back to me within 3 days. Next, you personally invite them by phone and I'll mail out a reminder. The **goal** is to have 12 adult guests at your party!
2. When someone is unable to attend your party (and this will happen!), use the catalogs in your packet to ask them to place an order to help with your party sales and/or to date a party of their own. The **goal** is 5 prepaid orders before the night of the party and 1 pre-dated party!
3. The day before your party, call **EVERYONE** and remind them. (If you call them they will come!) Remember, 12 adult guests in attendance!

Please call if you need anything. I am here to serve you and your friends and to help you earn lots of free TUPPERWARE in the process!

Your Tupperware Connection,
