

The Comfort Zone.

By: **Unknown**

I used to have a comfort zone where I knew I wouldn't fail.
The same four walls and busy work were really more like jail.
I longed so much to do the things I'd never done before,
But stayed inside my comfort zone and paced the same old floor.

I said it didn't matter that I wasn't doing much.
I said I didn't care for things like commission checks and such.
I claimed to be so busy with things inside my zone,
But deep inside I longed for something special of my own.

I couldn't let my life go by just watching others win.
I held my breath; I stepped outside and let the change **begin**.
I took a **step** and with new strength I'd never felt before,
I kissed my comfort zone goodbye and closed and locked the door.

If you're in a comfort zone, afraid to venture out,
Remember that all winners were at one time filled with doubt.
A step or two and words of praise can make your dreams come true.
Reach for your future with a smile;
Success is there for you!
