

# Why To Have A Weekly Business

## *Reason #1- A Weekly Business = Weekly Income!*

Having a weekly party will make sure that you have a weekly check coming in. You will get a "paycheck" each week and a 5% bonus when your sales reach \$1200 each month.

It's a great time to get your business started! Use the Calendar below to help you fill your schedule! Here is our January challenge:

When you submit \$1600 during the January sales month, you will get a \$10 gift card to your choice of Kroger, Walmart, or Target. When you come to the sales meeting on Monday, January 31st, I will also give you a pack of sales flyers.

When you submit \$1600 during the January sales month by holding 1 party each week (ends every Friday at 11:59 p.m.), you will get a \$25 gift card to Kroger, Walmart, or Target. When you come to sales rally on Monday, January 31st, I will give you sales flyers as well as a gift.
